THE VOICE OF THE HIGHLANDS

THIS WEEK'S PRESS RUN—1806

HALIBURTON, ONTARIO Thursday, March 1, 1962

Established in 1882 as the
Minden Echo & Haliburton Record

Dog Packs Causing Trouble

HALIBURTON. A lot of criticism has been voiced during the last two weeks about the large packs of dogs noticed, not only in our streets, but in some cases, around our public schools. Some parents are quite concerned about sending their children off to school in the mornings in case they might be attacked by dogs.

All who read the daily press know that a little child returning from Sunday school in one of our northern communities ran foul of some dogs and was so badly mutilated that she was dead before help arrived.

Just last Saturday a fight broke out in one of these dog packs and when the OPP officer arrived on the scene a dog was so badly beaten it had to be shot and another one, who seemed overly vicious, met the same fate.

There are 540 dogs known to be in the municipality and owing to the prevalence of

rabies in the area one would imagine that citizens would make some effort to keep their dogs under control. No doubt some do, but the great majority of these pups seem to be roaming all over the country.

Naturally, members of the council are coming in for considerable criticism because a by-law has not been put into effect to prevent dogs from running at large. A by-law is in process but in order to make it effective it requires three readings and to be advertised.

From what we can learn there is a difference of opinion on council as some members are of the opinion that such a by-law should cover the entire municipality while others favor it being effective in the village only. Those who favor a ruling to cover the township as a whole maintain that there are nearly as many dogs on the outskirts of the village as in the village proper.

—Photo by Geo. Wheeler

The above picture shows Oliver Higgins, on the left, shaking hands with Allan Botting, section foreman, as Mr. Higgins completes his final day on the railroad after 37 years of faithful service.

As a sectionman, Oliver Higgins served at seven different localities, starting out at Haliburton on June 3, 1925, then going to Gelert, Victoria Harbor, Orillia, Haliburton, Midland, Lindsay, then back to Haliburton

where he served a total of 19 of his 37 years of service.

We join with many others in the wish that Mr. Higgins will find health and happiness during his days of retirement.

Doug Pritchard Loses Eye

It is a strange anomaly but exhibition hockey games where nothing is at stake and where tensions are low and more friendliness prevails than in regular league competition, the accident toll is extremely high. It was in such a competition that Douglas Pritchard of Minden suffered a most distressing accident on Friday evening last when he lost an eye.

Doug was in the nets when the Minden Kinsmen and members of No. 8 detachment of the Ontario Provincial Police were engaged in an exhibition tilt and in the dying minutes of the game when he dove to stop a puck he was struck with a skate, causing a very serious eye injury.

After undergoing examination at the Minden Red Cross hospital to determine the condition of the eye he was removed to a Toronto hospital where the injured eye was removed.

Douglas Pritchard who, with his father, is engaged in the electrical contracting business, is well and favorably known throughout the county and his many friends are certainly sorry to hear of his serious misfortune but will be pleased to know that he still retains the vision of one eye at least.

We have been informed that Doug will be released from the hospital this week end.

WHAT MINDEN COUNCIL DID

A meeting of the Anson, Minden and Minden council was held in the council chamber on Wednesday, February 21.

The clerk was asked to write Glenhurst Corp. advising them that the road allowance between lots 30 and 31, Minden township, has been legally closed. Also advise them that when the municipality receives a deed for the existing municipal road (66 ft.) across lot 31, that a deed will be forwarded to them in accordance with by-law 317.

The municipal truck driv-

(Continued on Back Page)

44 Years Ago

We have in our possession a copy of the Minden Echo dated February 23, 1917 and one has only to glance over the news items and advertisements to realize the great changes that have taken place over the past 44 years.

In 1917 all the banking was done at the Bank of British North America in Fenelon Falls and World War I was at its height.

Under Minden news we note that a memorial service was held in Boskung English Church, for Private Charles Welch who had paid the supreme sacrifice for his country.

In "Haliburton Happenings" we note that Private Walter Kellett was wounded at the front on January 17 and was then in England. Under the same news it was stated that owing to the shortage of railway cars it was feared that much of the pulpwood cut would have to be left in the woods.

It is interesting to look over the advertisements and to see the many businesses that have long since disappeared but we notice that S. W. Welch is still doing bu-

siness at the same location today as of 44 years ago.

Under the sports news we learn that a hockey game was played in Haliburton with a team from Donald. Haliburton were the winners and very graciously tendered the visiting team a lunch at the Belgium Inn. A juvenile team also played a game in Kimmount with the home-sters winning by quite a margin.

Blairhampton at that time must have been quite a settlement and among the social activities was a flinch party held at one of the homes.

Everything did not run smoothly in those days and as now people were ready to take their troubles to the editor. In a letter to that issue the question is asked: "How is it the Grand Trunk Railway can draw pulpwood on Sundays when the settlers are forbidden to do so."

Warden Addresses Toronto Meeting

Haliburton county warden, Miss Myrtle Bamford, chairman and secretary treasurer of the Improvement District of Bicroft, attended a meeting of the Ontario Association of Rural Municipalities, at the King Edward Hotel in Toronto, on Monday and Tuesday, February 12 and 13.

Miss Bamford addressed the gathering on the functions and duties involved of an improvement district.

Total snowfall since Nov. 1, 81.4 in.
Total snowfall in Feb. 24.5 in.
Depth of snow on ground, Mar. 1, 28 in.

HALIBURTON NEWS LETTER . . .

Alfred Burke, our local enforcement officer is back in the hospital for surgery. We are pleased to report that at time of writing he is doing nicely. Alf. and Harold Black who have both been recent visitors to the hospital were poking with one another the other day as to who would be first to make another visit. Alf turned out to be the unlucky one in this case. Alfred Burke has been a fine municipal servant and we, as well as a host of others, hate to see his work interrupted by poor health.

A notice in this week's paper carries the information that after this week the Molou theatre will be open on Friday and Saturday only. The marquee, which has always been the bright spot on Highland St., will be darkened on the first four nights of the week. We hope this condition of affairs will right itself sometime in the not too distant future, at least sufficiently to make it pos-

sible for the show to operate on a regular schedule. No one can indefinitely carry on any business at a loss and on a great many nights this winter the show did not have sufficient patronage to pay for the heat and light required to operate such an enterprise.

From time to time our paper carries items of this or that young man who has run afoul of the law. It is nice when we hear that some of our local boys are making good. This week we were informed that Murray Woodcock has been promoted to the position of manager of the Armstrong Richardson Shoe Store which is situated in a new shopping centre in Ottawa.

As we go to press we are informed of the passing of William Frederick Lane on February 28. The deceased, who was in his 84th year, was the beloved husband of

the late Isabel Hutchings and had resided in Haliburton the greater part of his life. During the past few years he had been living at the home of his daughter, Mrs. Jack Austin at Minden. Though not always in the best of health Bill Lane really enjoyed living and his many friends and acquaintances will be sorry to learn of his demise.

We are glad to report that Harold Fearrey, proprietor of our local billiard room, who has for some time been in far from the best of health, is making excellent progress on the road to recovery. At present he is a patient at the Peterboro Civic Hospital but hopes to be able to come home very soon.

Cliff Inglis and friend Archie Hillis of Peterboro caught six fine trout in Kensis Lake on Saturday last. The fish seem to be biting better of late.

Rotary's 57th Anniversary

FIFTY-SEVEN years ago when the motor car still brought cries of "get a horse" and the airplane could fly no more than a few minutes, a new kind of club for businessmen was born. It was the Rotary club and today, in countries around the world, the 57th anniversary of the founding of that club is being celebrated by more than 11,000 Rotary clubs that have descended from it.

It was in Chicago, on February 23, 1905, that a young lawyer, Paul P. Harris, Rotary's founder, gathered with three business associates and formed the nucleus of the organization which now numbers in its global ranks more than a half million business and professional men—doctors, lawyers, retailers, educators, and hundreds of other representatives of different vocations.

In Haliburton the Rotary club has 36 members, each selected not only on the basis of his vocation, but also for his interest in serving this community, in raising its standards of business and professional practices, and in accepting his personal responsibilities for the betterment of human understanding as a means of insuring world peace.

With Rotarians everywhere dedicated to the attainment of these goals, Rotary is conveying its message of service to millions of people and is exerting a tremendous force for the good of all.

For their devotion to the ideal of being thoughtful of a helpful to others, we salute Rotarians of the world, and wish them still greater success in their program of service.

Looking Back And Ahead With Red Cross

Guest Editorial

WASN'T IT the Latin god Janus who had two heads? One for looking back on the old year and one to look ahead to the new.

For the Red Cross worker, March is the month when we pause to look back on what has been accomplished in the past year, and then plan ahead for the months to come.

If you are a father or mother of a school age child you will remember the water safety classes, and the hundreds of children in our county who can now swim well—thanks to the qualified Red Cross instructor. But we pause in silence when we think of the 306 drownings in Ontario in 1961. If your dollars have helped to save one child's life then your money has been well spent.

Especially in the summer time we hear of many accidents in our county. Much suffering has been eased by the efficient services rendered by the Red Cross nurses through the modern facilities of our outposts hospitals.

We can look with joy at the 1,200 babies born in our outposts in Ontario in 1961. Surely you will say "My dollars are wisely

invested in this service to mankind."

Or, if your neighbors or friends have had the terrible experience of losing all their possessions and sometimes their loved ones in a disastrous fire, you would be glad to see your dollars at work helping in a small way to comfort the victims.

The people of Haliburton county are richly blessed. The highlands are so beautiful in both winter and summer. Besides that, everyone enjoys a high standard of living. We know of no family going to bed cold and hungry. We are our brother's keeper, so we must remember those less fortunate than ourselves in other lands. Maybe your dollars could be used to send a food parcel to a hungry family, or buy wool for a warm sweater for a child who is cold.

There are so many more ways your dollars can work for others through Red Cross. Like Janus we can look back with thankfulness on what has been accomplished in 1961. Now we are looking ahead, knowing that with your help, great things can be done in the name of Red Cross.

—Mrs. Richard Kirkwood, chairman of publicity, Minden Red Cross.

C.C.C. Curling

We have rounded the corner into the final games of the Bostonian and Tallman trophy competitions. Once again, as in the Wilberforce Veneer trophy race, we couldn't forecast the ultimate winner of either of these events, although Ross Anderson's rink have boosted themselves into an enviable position, having eliminated all but Bill Burt's rink from the running in the latter feature. As before, by the time this is being read, the final results should be known.

However, this by no means winds up the C.C.C. battles of the rocks, because the final trophy event for the president's cup is ready and waiting to get under way. This will be scored and scheduled along the lines of a bonspiel and will be extended over about two weeks, which is all we can definitely count on weatherwise so that our ice conditions will be satisfactory for such activities.

The first draw will be between the winners of the Bostonian versus the winners of the Tallman cups.

Those in second place in each of these events will confront each other and so on down the line. Then winners of those games will face each other and points will be

scored whereby the eventual winner will be established.

We are sure that lively interest and keen competition will be displayed in this contest and individual mementos of it will be donated and presented to each member of the winning rink by president Bill.

We can now make some analysis of the race for the ladies' inaugural competition for the MacCraft trophy. Skip Ted Chambers' rink is the only one with a perfect record of three wins, however this is far from being conclusive as the schedule has only been run off to about the half way mark.

Don't forget girls, you have another one coming up for the Bostonian Rod and Gun Club trophy and your finishing position in the MacCraft race will have a bearing on the draw for the latter mentioned event.

Your reporter is proud to have been on the rink representing the C.C.C. at the one day 'spiel in Minden last Saturday. Armed mainly with the hope that we could at least produce some opposition with this our first delegation to any bonspiel, we were out for a day of pleasure and experience. Pleasure we got aplenty plus fine hospitality plus an equally fine dinner which the ladies had prepared for their guests.

Experience we found also but our delight was the experience of accepting third prize of the 'spiel and coming within an ace of topping the mighty Roy Windover's rink in points, which, by the way, was the one that eventually took top honors. That last rock that Roy delivered was one of those that are made under pressure only by true competitive sportsmen and we hope that every time he or any of the great guys that made up his rink directs a turkey by the beautiful carving sets they took home, they get pleasure in the recollection of a fine performance.

What do you know, synthetic curling stones, identical in weight and similar in performance to stones made of Scottish granite may be in common use in the not too distant future. They're being tested this winter by clubs in Dresden, Ont., and the University of Western Ontario.

The developer, H. E. Finch of Toronto, won't say what they are made of, "but it isn't plastic."

The boom in curling has placed such a strain on Scotland's Ailsa Craig quarries that orders for granite stones take a year or more to fill.

WORKING WITH CANADIANS IN EVERY WALK OF LIFE SINCE 1817

Rotary Club Anniversary

This week the Rotary Club of Haliburton will observe the 57th anniversary of the founding of Rotary, world-wide service organization of business and professional men.

In observing the occasion, the Haliburton club joins a world-wide celebration planned by more than 11,000 Rotary clubs and a half million Rotarians. In Greece and Ghana, in Finland and the Fiji Islands—in the 124 countries and geographical regions where there are Rotary clubs—the anniversary will be marked by men whose diverse languages, religions, and political beliefs find a common denominator in the Rotary ideal of serving others.

Recalling the early days of the first Rotary club, Lloyd Coneybeare, president of the club in Haliburton, said, "When Rotary began in Chicago on February 23, 1905, its appeal to businessmen was largely social, with the founder of Rotary, Paul P. Harris, a lawyer, basing his idea for the organization on the conviction that friendship and business could go hand in hand to the benefit of both. Today, as it was right from the beginning, friendship is still basic in Rotary, but only for its ability to provide service minded men with increased opportunities to serve."

The strong appeal of Rotary's concept of service to men of different vocational interests is evidenced by the organization's phenomenal growth. In the day it becomes 57 years old, Rotary International will be comprised of approximately 11,100 clubs. That means that since its founding, Rotary has

grown at the rate of one new club every 45 hours. It also means that somewhere in the world, every day of every week, men gather for a Rotary club meeting.

The Rotary Club of Haliburton meets every Thursday at 6.15 p.m. at the United church. The Minden club meetings every Monday at 7 p.m. at the United church. Its meetings, like those of all Rotary clubs everywhere, are important to the success of the club's entire program of service, and thus attendance is expected of all members.

A distinctive aspect of the 11,000 plus weekly Rotary meetings held around the globe is the many languages spoken at these gatherings. They include Arabic, Afrikaans, Portuguese, Welsh, Gaelic, Hebrew, Tamil, Korean, Tagalog, Icelandic and many others. At Rotary meetings in continental Europe alone nearly 20 different languages are heard.

But diversity of tongues in no way hinders the efforts of Rotarians to further world understanding through personal contacts at international Rotary gatherings and through intercountry exchanges of correspondence, programs, publications, and of students who cross boundary lines to live and study in another nation under various plans of Rotary clubs. Each year more than 10,000 students participate in these Rotary exchanges.

Under the leadership of Joseph A. Abey, of Reading, Penna., president of Rotary International for 1961-62, Rotary clubs have intensified their efforts to "aim for action" in response to the president's challenge.

Letters To Editor

Dear Sir:
May I again take up the subject of by-laws in the Municipality of the Township of Stanhope.

In my letter of February 1, 1962, I remarked on by-law No. 2-62. I have since taken note of the fact it has been revoked.

However, we now have by-law No. 3-62 to consider.

The idea behind these by-laws appears to be prevention of pollution of the lakes. I must point out I am in full accord with this idea. What I do not accept is the method used.

In passing by-law No. 3-62 the council quotes as their authority Section 243 of the Municipal Act, R.S.O. 1960, chapter 249. What they fail to do is quote the section in its entirety.

The section in full is as follows:

"Every council may pass such by-laws and make such regulations for the health, safety, morality and welfare of the inhabitants of the municipality in matters not specifically provided for by this act as may be deemed expedient and are not contrary to law and for governing the proceedings of the council, the conduct of its members and the calling of meetings."

I point out the words "and are not contrary to law."

There is still doubt of the municipality having jurisdiction of federally owned waters. This, possibly, could be cleared up by consulting the federal government.

This new by-law still maintains unbalanced fees for the permits to be issued. Should council check with the Dept. of Municipal Affairs they may find these permits, as covered in the by-law, are construed as building permits since they are issued for the erection of temporary buildings or erections. Should this be the case they may also find their by-law is invalid because of the nature and amount of the fees, for permits, issued for this purpose. These are legal points which should and could be taken up with the municipal affairs solicitors.

As for the workability of the by-law, it states such permit shall be affixed in a conspicuous place on such erection. If the permit is easily affixed to the structure it must necessarily follow it can be as easily removed from same. Anyone intending to leave their hut or shelter on the ice would simply remove the permit, disappear and leave the municipality to try and find the owner in order to prosecute.

A permit obtained at a reasonable fee of possibly \$1.50 and affixed inside the temporary building with the number painted on the outside, might be more effective. The \$1.50 fee should cover the inspection costs involved, the same fee for all structures would lessen the ill feelings which are now being felt and the number painted on the outside with the permit inside should make a workable and acceptable by-law.

I would urge the council of Stanhope investigate their existing by-law before prosecution is attempted.

It would be safe to say all people are agreed on the seriousness of water pollution and proper legal steps taken to prevent the occurrence, are not out of line. By-laws passed for this or any other purpose should be without any doubt of their legality, should be supported by a penalty of sufficient proportions and should be equal to all. A "polluter" in Stanhope is equally as dangerous to the inhabitants as one from Toronto or any other outside centre.

Weekly Sports

by Creighton Feir

The 10th annual Glen Dart memorial trophies has come and gone for another year. Once again it was a great success. Special thanks go out to the men who worked hard all season coaching and managing the various teams from squirt up to midget, also to the president of the Haliburton county minor hockey association, namely Stan Parish. Stan, putting in his first year as president, did a great job keeping the league together. Also thanks to the Glen Dart memorial trophies committee who worked hard all year preparing for this event. Yes, and another large crowd was in attendance. All the parents and friends of these players turned out to see their favorites on ice. It's just too bad that these same people couldn't make it out for more of the games during the regular schedule. We must remember these players who are coming up will be the stars and citizens of tomorrow. Let's make it a point now to look ahead to next season and get out to see more of these games. You won't be disappointed.

Don Dart, former Haliburton Huskies hockey player, was in town for the Glen Dart tournament. He told us that he has bought out Lyle Miner's cartage business in Lindsay. We wish him the best of luck in his new business.

And still with the Glen Dart tourney we must hand it to West Guilford who placed three teams in the finals on this night. They had entries in every game with the exception of one.

We understand that the Oakville Oaks came out on top of their league. Herb Ba-

ker is president of the club and also plays hockey for them.

In our paper last week we reported on the condition for skiing in the area. We are quite surprised to see so many cars going by with skis on top. There seems to be many more than usual. We are looking forward to the time when Haliburton county will do a good winter sports business. We have the summer trade and now if we can just get that winter business.

The management of the Haliburton Huskies are becoming very discouraged at some of the small turnouts to some of their practices. It seems some of the players thing they are too good and don't need the practice. Last Monday was the same old story with many of the regular players missing the drill. It seems some of the players are mad when the goalies aren't at practice. They claim they want something to shoot at. But you can be assured of one thing and that is they will all be out when the games are scheduled.

It's good to see Kilmount back in the hockey wars. They have a team this year for the first time in quite a number of years. They are playing with Wilberforce, Cardiff, Gooderham in the Monmouth town hockey league.

trophies were handed out at the Glen Dart trophies held on Friday night. . . . We believe that every person in West Guilford was out for the hockey tournament on Friday night. . . . Scottie LaRue of the Woodbridge Dodgers spent the week end at his home here.

Husbands! Wives! Get Pep, Vim; Feel Younger

Thousands of couples are weak, worn-out, exhausted because body lacks iron. For new younger feeling after 40, try Ostrea Tonic Tablets. Contains iron for new pep, vim; plus supplement dose Vitamin B₁₂. In a single day, Ostrea supplies as much iron as 16 doz. raw oysters, 4 lbs. of liver, 18 lbs. of beef. "Get-acquainted" size costs little—only 60¢. Or get Economy size and save 75¢. All druggists.

CARDIFF COUNCIL

The municipal council of the township of Cardiff met in the Orange hall, Highland Grove, with the following members present, reeve Art Tompsett, councillors Mrs. Rita Allen Bidgood, Don Tanner and Elwood Peel.

Moved and seconded by Tanner and Peel, that the minutes of the last meeting be adopted as read.

Moved and seconded by Bidgood and Peel, that the two approaches to Highway 500 in the No. 8 school section, be sanded by Edward Hogan and also the Monmouth-Cardiff boundary road where necessary.

Moved and seconded by Bidgood and Tanner, that the plow for the snow removal plow No. 8 school section at the start of storms, before any driveways are done, and if necessary, to repeat the plowing after Highland Grove and the balance of the area is done.

Moved and seconded by Peel and Tanner, that the men having contracts with the township for snowplowing make their own arrangements and charges with the school board for plowing the school yard, and also with those having approaches and driveways to be plowed.

Moved and seconded by Tanner and Peel, that the clerk write Mr. Dernier of the Dept. of Highways, Huntsville, regarding the three miles of Dyno road, asking that it be taken over by the Dept. of Highways as it is a section of black top road running between two highways namely Highway 28 and 111.

Moved and seconded by Bidgood and Tanner that all council announcements and dates be published in both the Bancroft Times and the Haliburton County Echo and that the minutes of meetings be published at least one week before council meetings.

Moved and seconded by Bidgood and Tanner that we donate \$10 to the Salvation Army.

Moved and seconded by Tanner and Bidgood, that the clerk write to the Dyart telephone system regarding the cost of installing a telephone for the road superintendent.

Moved and seconded by Peel and Tanner, that the following accounts be paid: Ontario Municipal Board, hearing \$25; U.S.S. No. 8 Monmouth, requisition \$436.15; David Plant (cleaning dump, \$17; Crowe Valley Conservation Authority, dues \$100; Municipal World Ltd., supplies \$24.27; Canadian National Telegraphs \$1.05; Jas. J. Bronson & Son, insurance \$236.80; Hastings county, debenture payment \$754.56; road voucher No. 1, \$4,412.37.

Moved and seconded by Tanner and Peel, that we adjourn until March 12 at 7:30 p.m. in the Orange hall, Highland Grove.

Snowdon Council

The following are the minutes of the February meeting of Snowdon council with reeve E. H. Peacock in the chair and all councillors present.

The minutes of the last meeting were read and it was moved by Messrs. Procter and Gilbert the minutes be adopted as read.

A letter was read from the clerk of Glamorgan asking that this township snowplow or pay half the cost of plowing the road to George Hancock's. It was moved by Gilbert and Mrs. Jennings the clerk inform the clerk of Glamorgan that this council does not see their way clear to plough or to pay Glamorgan for plowing the road to George Hancock's as he does not live in this township.

Moved by Messrs. Milburn and Gilbert that in future we notify the deputy returning officers that it is illegal for anyone to vote that is not on the voters' list unless by a certificate to vote by the clerk.

Moved by Messrs. Milburn and Procter that Mr. J. R. Mitchell's tender for collector and treasurer be accepted, duties to commence March 1.

Moved by Procter and Mrs. Jennings, the following bills be paid: County Echo \$1.80; treasurer, Lutterworth debenture \$56.41; Municipal World \$9.81; Hillcrest Nursing Home \$108.25; W. Scott, relief \$40; W. E. Dugan, roads \$2,000.

Moved by Messrs. Procter and Gilbert the hydro contract of Mrs. F. R. Bailey be approved.

Moved by Milburn and Mrs. Jennings that we adjourn until March 9 at 7 p.m.

Minden W.I.

The February meeting of Minden W.I. was held at the home of Mrs. Angus Coulter with 21 members present.

The president, Mrs. A. Kernohan, called the meeting to order with the opening ode followed by the Mary Stewart collect.

Reports were given by the secretary and treasurer and Mrs. W. A. Welch gave a re-

port of cards sent. The special collection was taken and donations also received. The roll call was of cookies for sale later, after the meeting. Mrs. Kernohan and Mrs. Sears gave a report of the trip to Nonland to hear Mrs. Moynes talk on her trip to the FWIC conference at Vancouver.

Mrs. Fred Wright had given us enough blocks for a quilt and a vote of thanks was made to her by Mrs. Welch seconded by Mrs. Lunham and a hearty clap of thanks from all present.

Mrs. Coulter then donated a quilt lining and Mrs. Kernohan, quilting batts, so this article may be completed for a raffle.

Several places were sug-

gested for the annual bus trip but this was left over to another meeting. We also will do something for the Holly Little family when their home is built in the spring.

Mrs. Graham and Mrs. Sears will visit the hospital before the end of the month.

After some discussion it was decided to have the March meeting in the Orange hall on the regular date, early enough so that we could have a card party the same evening.

There followed a spelling match with some very good spellers among those present.

Mrs. Kernohan brought a box of candy for a free draw and Mrs. Holly Stevens was

The meeting closed with the singing of God Save the Queen followed by a delicious lunch served by the hostess and her helpers, Mrs. B. J. Walker, Mrs. Holly Steven, Mrs. Graham and Mrs. Robinson.

Sympathy of the community to the family and friends of the late Maggie Hillyer whose funeral was Monday.

The Minden branch Red Cross meeting last Friday night took the form of a work meeting with some business discussed.

Mrs. Harvey MacIntosh was in a Toronto hospital and Mrs. Harry Welch is in Ross Memorial.

ONTARIO

IMPORTANT ANNOUNCEMENT

about your

ONTARIO HOSPITAL INSURANCE

The need to obtain a bed in hospital is a matter of urgency to a seriously ill person. It is vital, therefore, that every hospital bed in Ontario be used only when it is essential in the treatment of a patient. Proper use of hospital beds is a matter of concern to every resident of the province.

To help make more hospital beds available...

the Commission now will provide Ontario Hospital Insurance benefits to an insured person who receives hospital care, as an *out-patient*, for which he or she, otherwise, would require admission as an *in-patient* to stay in hospital overnight.

IMPORTANT

These benefits will be provided only if the hospital has the required facilities and after these facilities have been authorized for such out-patient use by the local hospital board on the advice of its medical staff.

Here are the details:

- Benefits will cover only the *hospital* charges for medical and surgical treatment procedures which, otherwise, would require the patient to be admitted to hospital. Examples of these procedures are certain minor operations, electro-shock treatments, blood transfusions, etc.
- It is up to the patient's doctor to decide whether the treatment will be given on an in-patient or out-patient basis.
- Visits to established regular clinics in hospital out-patient departments are NOT covered.

Extension of EMERGENCY Out-Patient Benefits

Effective March 1, 1962, when an insured person has received emergency hospital treatment for a fracture within 24 hours of an accident, Ontario Hospital Insurance also will cover subsequent out-patient services for check X-rays and the change or removal of cast, until treatment of the fracture is completed.

Hospital treatment for emergency conditions other than fractures will NOT be covered beyond the first visit to hospital within 24 hours of an accident.

POINTS TO REMEMBER

1. Ontario Hospital Insurance in-patient benefits cover the regular and usual hospital services (use of operating room, X-rays, drugs, laboratory services, etc.) in standard ward accommodation for as many days as such services are medically necessary.

2. Dependent children cease to be covered under the parents' certificate when they reach age 19, or marry. They must then register separately at the applicable Single

or Family premium. Application forms are available at all hospitals, most banks, and all Commission offices.

3. Married persons must pay the Family premium.

4. There is no change in Ontario Hospital Insurance premiums: they remain at \$2.10 a month for a single person and \$4.20 a month for a family. More than 6,000,000 Ontario residents (over 95% of the people) are now insured in the plan.

Ontario Hospital Insurance does NOT cover...

- any hospital charges for semi-private or private accommodation.
- any diagnostic services which are not part of insured treatment procedures or which do not, by themselves, normally require admission as an in-patient.
- any medical, surgical, or private-duty nursing fees, take-home drugs, home care, or ambulance and other transportation charges.

Card of Thanks

We wish to express our heartfelt appreciation to all the friends, neighbors and relatives for their expressions of sympathy, floral tributes and other acts of kindness extended to us in our recent bereavement. Also special thanks to the employees of the municipalities of Dysart and Stanhope for their thoughtfulness in keeping the roads in such excellent condition in our hour of need.

—Ray Cruikshanks and family.

Mr. Jim Stanton and his mother, Mrs. B. Brierley, wish to express their sincere thanks to everyone for the help and kindness they received in their recent trouble.

We wish to thank all our friends, neighbors, church groups, stores, lodges and all the people who helped out when our house was destroyed by fire.

—Mr. and Mrs. Holly Little and family.

IN MEMORIAM

Bagshaw—In loving memory of a dear husband and father, Thomas Bagshaw, who passed away February 26, 1950. Remembered by wife Vera and son Tommy: He wished no one a last farewell,

Nor even said goodbye, Tom had gone before we knew,

And only God knows why. Asleep in God's beautiful garden

Away from sorrow and pain Someday when life's journey is ended

We shall be together again.

Cowen—In loving memory of a dear son, Robert Edward, (Bobby) who passed away March 1, 1957:

You are not forgotten, Nor ever will you be. As long as life and memory last.

We will remember thee. —Lovingly remembered by mommy and daddy.

Wheeler—In fond remembrance of a loving father and grandfather, Ron Wheeler: There is a link death cannot sever,

Love and remembrance last forever.

—The Wheeler family.

THREE GAMES GO INTO OVERTIME

Glen Dart Memorial Trophies Night Attracts Record Crowd

The largest crowd to ever witness a minor hockey game in Haliburton county were on hand at the Haliburton community arena last Friday night. They were all present to watch the 10th annual Glen Dart memorial trophies hockey tournament.

The weather for this tourney was ideal and everyone present received more than their money's worth.

The puck was faced off at 7 p.m. for the first game and the final game was completed at 1.30 a.m.

These four games this year provided the hockey lovers with the unexpected and a minor hockey record was broken when three of the four games played had to go into overtime before a winner was decided.

Things happened at this tournament that might never happen again, such as, in the bantam game between Gooderham and West Guilford the boys from Guilford were leading by three goals with less than five minutes to play. Gooderham received a penalty and while they were playing short handed they scored three times to tie up the game and went on to win it in overtime.

Then in the final game the fans saw another near upset. Going into the third period Haliburton midgets were leading West Guilford by the score of 5-0. This lead is good enough to win any hockey game but Haliburton nearly lost.

The Guilford team came

out all fired up in the last period and ran in five goals to tie up the game and force an overtime.

The Haliburton players and fans could hardly believe that the 5-0 lead was gone. But in the overtime the Haliburton crew found the mark and finally won the game.

The opening ceremonies were handled by Ron Curry and Mrs. Glen Dart and her son Roger faced off to get the evening under way.

The four games played also proved to one and all that we have some great hockey players in the making. Players such as David Sawyers of West Guilford, Bev. Billings of Gooderham, Chris Carroll and Bill Parish of Haliburton should go places in the hockey world.

In the first game the Haliburton squirts pulled off a shutout when they ran in three goals to defeat Wilberforce by the score of 3-0. It was "no score" at the end of the first period but in the second and third the Haliburton squirts found the range and ran in three goals. The Haliburton marksmen were John Parish with two and Mark Schell with one. Ron Curry presented the trophy to the winning side while Fred Neimann presented the crests.

In the second game the West Guilford peewees were too much for Haliburton and they had to go into overtime to prove it.

West Guilford, on the season's play, had won two and

tied two against this same Haliburton team.

Bradley McCracken gave the Haliburton team a 1-0 lead only to have Ron Stackhouse of West Guilford tie it up. The Guilford team at this point were carrying the play and it was only the good work of Louie Dummitt in the Haliburton net that kept the score down.

The West Guilford team missed three good chances to score when they were in the clear on three different occasions.

At the end of regulation time the game was all tied up.

In the overtime, first goal to win, Jim Cowan took a pass from his brother to put the game on ice for West Guilford. Final score 2-1.

The game had to go 19 minutes of overtime before the winner was declared. Reeve Holly Sisson presented the trophy while Berkeley Feir presented the crests.

In the third game the Gooderham team had to force another overtime session in their effort to defeat the West Guilford club by the score of 6-5. This was the top game of the evening and the garrison finish supplied by the boys from Gooderham had the fans at the edge of their seats during that exciting third period.

In the first period both teams scored on goals by Dave Sisson of Guilford and M. Maxwell for Gooderham.

In the second period Lyle Sawyer gave the Guilford

team a 2-1 lead only to have J. Mather of Gooderham tie it up.

David Sawyer of West Guilford, who was wearing Frank Mahavolich's No. 27 was a going concern all through this game and at this point he had three clear breakaways but failed to score on the three tries.

In the last minute of play in the second Gooderham took a 3-2 lead on a goal by L. Hunter.

But it was this third period when all the highlights of the game took place. Sisson gave Guilford a 4-3 lead. Then David Sawyer rammed in three fast goals and it looked as if Guilford now with a 6-3 lead were easy winners with only five minutes to go. But this wasn't the case. At this point Gooderham received a penalty and, believe it or not, it was here that Bev. Billings of the Gooderham team scored three goals to tie the game all up and give the Gooderham team new life. Yes, and this all happened with Gooderham playing a man short. Once again the teams went into overtime and it was a very happy gang of Gooderham players that skated off the ice with the trophy when Maxwell got the overtime

Don Dart presented the trophy while Harry Pierce of Lindsay presented the crests.

The fourth and final game of the evening was the third overtime contest and the Haliburton midgets pulled a 6-5 upset. In the first period

neither team could score with Haliburton having the better chances as Guilford played two men short twice in this period.

In the second period the Haliburton team caught fire and rammed in five unanswered goals and everyone in the rink thought they were going to drive West Guilford right out of the rink.

Carrying this five goal lead into the third period the Haliburton crew looked like sure winners but the scrappy Guilford team came out in the third period and scored five goals to tie it up and leave the Haliburton team in a daze.

For the third time in the night another overtime was needed to declare a winner, and it was Bill Parish who had already scored three times for Haliburton, who got the overtime goal for the Haliburton victory.

Bill Parish with four goals and Chris Carroll with one were the Haliburton marksmen while Bob Adams with two and Doug Cowan, David Sawyers and Roger Sawyers were the goal getters for the losers.

The trophy was presented by Bud Dart while Mrs. Glen Dart and son Roger presented the crests.

THE ECHO SPORTS

Haliburton Curling Club Play-Offs Underway

The Haliburton curling club schedule has been completed and the playoffs got underway at the local rink last Monday night.

Joe Iles and Lloyd Coneybeare both finished in top place and will be playing off later to see whose rink will be on top. The winner receives the A. S. Gilliam trophy.

The following rinks finished in the top eight positions. D. Iles, L. Coneybeare, B. Johnston, M. Burk, J. A. Robertson, M. Robertson, C. Dawson and F. Andison.

It might be noted that Merv. Robertson and his brother Jack tied for fourth place and tossed for various playoff spots.

The winner of these top eight playoffs will win the Curling trophy.

The bottom six teams are also playing off. They are as follows: Don Johnston, Russ Neville, G. Alles, Raymond Scott, Harold Black and R. Pearson.

The playoffs continue this week. More results on this in next week's issue.

Minden Win Juvenile D Opener

It was just recently learned that the sports minded citizens of Minden decided to enter a juvenile D team in the OHA. They were just in time to receive a bye into the playdowns.

They played their first game last week when they downed Beaton by the score of 4-3 at the Beaton arena.

It's a best two of three series.

Christopher Carroll, Doug Austin, Jack Curry and Peter Curry from Haliburton are playing with the Minden team.

Snow On Roof Nearly Cancelled Glen Dart Hockey Tournament

Last Friday morning it was feared that the Glen Dart memorial trophies hockey tournament would be called off. In the morning the community hall and parks board were informed that if the snow wasn't shoveled off the north side of the arena then the rink would have to be closed.

This warning came when it was feared the snow might cause a cave-in and with a large crowd inside the arena it could be disastrous.

Soon after this Alvin Walling and Clair Roberts were hired to clear the roof. The roof was declared safe from snow and the games went on as scheduled.

Sports Briefs

The Monmouth town league hockey playoffs are now in operation. Harecourt is playing off against Wilberforce and Kimmount are playing with Gooderham. Cardiff were left out of the playoffs.

They are going to flood the ice surface at the Haliburton community arena with hot water. The Haliburton Machine Shop has been busy building a tank that will sit on a wagon such as the ones used at Maple Leaf Gardens. It will put out a small spray. The big worry is if the one tank full of water will flood the ice surface.

This Saturday night is the night for the minor hockey games at the Monmouth community centre. Some of the teams who played in Haliburton last Friday night will be in action. The winners will receive the Monmouth community centre trophies. A good crowd is expected to be on hand for the big night.

New nets, the same type as used in the NHL, are now in use at the Haliburton community arena.

Herb Baker, who is playing with the Oakville Oaks scored a big goal the other night in Oakville. The goal was the one that put Oakville in first place ahead of

Here and There . . .

Oro Station were the visitors on Wilberforce ice last Saturday night when they met the former Wilberforce 98's . . . The Glen Dart hockey committee are thankful for the wonderful publicity they received from the sports department of CKVR-TV in Barrie . . . Still with the minor hockey tourney the committee had a few hockey stars lined up for last Friday night, but they were all unable to be present. Next year let's hope they will be here . . . The Haliburton Huskies claim they will be at full strength for the playoffs. All their injured players are back in uniform . . . Sunday afternoon skating at Minden and Haliburton is becoming very popular . . . We were surprised at the good hockey players being featured in the midget hockey this winter. Some good players will come out of this hockey category for future hockey teams . . .

Bradford. Herb hasn't scored too many goals this season but this one was important.

The Minden juvenile D hockey club went to Bobcaygeon on Saturday night to play an exhibition game with the juvenile team there. After 60 minutes of hockey Bobcaygeon came out the victors by the score of 12-2.

SPORTS FLASH

The Minden Monarchs received word this week that they will begin their playoffs on Thursday night when they will travel to Princeton to play and then they will return home to play the same team on Saturday night.

The Haliburton ladies curling club are going back over their schedule and playing it over twice. This is to prolong the season. Then will come the playoffs after this.

The Haliburton mixed curling club are rolling right along filling the rinks up on Thursday and Friday nights.

The Haliburton curling club sent a rink to the Bancroft mixed bonspiel held at Bancroft on Saturday.

IN QUEST OF YESTERDAY

A HISTORY OF HALIBURTON

by NILA REYNOLDS

(COPYRIGHTED)
Instalment Eighty-One
GUILFORD, HAVELOCK
AND HARBURN

The first bridge to span the waters flowing out of Pine Lake was hewn with a broad axe and stood down river from the present structure of steel and concrete. It was replaced by a bridge up river from the one in service whose sturdy timbers rested on stone piers. Its plank floor carried the traffic of the community through the horse and buggy era into 1935 when the new bridge was begun.

When the railroad reached Haliburton in 1878 the Boyd and Inwin Lumber Co. built a wagon road from the railhead to Guilford which was used by the settlers and improved by the municipality. In those days every property owner, in addition to his assessed taxes, had to contribute so many days a year to the upkeep of roads in his immediate area.

The first school to be known as S.S. No. 2 and 3 Guilford was voluntarily built by the settlers themselves in the early 1880's. Squared pine timbers comprised the 13 ft. by 26 ft.

walls of the one roomed cabin in which stood by the lake where the road runs in front of today's building. Among the first of its teachers was a Miss Gegan who boarded with Mr. and Mrs. William Barnum, a mile up the lake.

Mr. Thomas Scott remembers how one teacher was transported from Guilford to Haliburton when heavy winter storms had made the road impassable before Christmas. Several men on snow shoes pulled the teacher and her baggage on a sleigh and thanks to their efforts, she was able to catch the train which took her home for the holidays.

When better educational facilities were required the log building was torn down and sold to Mr. John Henderson Sr. who rebuilt it as a cow shed. It is still standing on the Henderson homestead and one can read the initials carved into the weather beaten logs by the school boys of 80 years ago.

When Mr. Herman Fetterley built the second school in 1895, the men cadging shingle bolts to Haliburton brought home the loads of red brick which went into its walls. On completion it

was taught by a Miss Addy Smith of Stouffville.

Like the log building, the new school was immediately utilized by the various denominations for church services. When the Methodist preacher called for lots of volume during the hymns he literally "brought down the house." "Let us have showers of blessing, showers of blessing we pray," chanted the faithful congregation and right on cue a section of the freshly plastered ceiling descended in showers. Mrs. Alec Baker and her sister, Mrs. Billy Henderson, who had lost her husband in a hunting tragedy that fall, were sitting directly underneath but excepting for the fright of their lives, escaped without injury.

Guilford was one of the few areas whose population, once it was established, remained stable. In the years between 1901 and 1911 when most of the townships lost a staggering percentage of their inhabitants, Guilford's total fell from 263 to 262.

In 1922 Messrs. Hugh and Gordon Griffin contracted to add a second room, also of brick, to the Guilford school and a second teacher was engaged. With the boom in the timber industry which World War II brought the population expanded to the point where a third classroom was a must. The Orange hall which was situated in the school yard was utilized until the completely modern three room school contracted for by Mr. Harry Horsley was opened by Mr. Clayton Hodgson on October 29, 1948.

West Guilford's first Baptist church was erected in 1906 on property donated by Mr. and Mrs. Charles Barnum who were also the first people in the settlement to own an organ. The adjoining Baptist cemetery remains today, the only one in Guilford township.

Before the 20th century brought both church and sacred ground for burials, necessity often dictated that infants be buried on their parents property, often when winter blizzards clogged the roads without an attending minister. There are gardens in Guilford township, both east and west which contain the forgotten graves of infants who perished during the epidemics of children's diseases which used to claim so many victims.

Before improved transportation facilities made the services of undertakers from Minden and Haliburton pos-

sible, Mr. Joseph Griffin who was skilled in cabinet work, fashioned fine caskets from local woods and kind hearted neighbor women prepared the bodies for burial.

A cemetery may have been planned at one time on the site of Cooper Motors for two adults were immured there for several years. They were later interred at Maple Lake. The location was for decades a vegetable garden but the depressions which remained after the empty graves were refilled never produced a crop.

St. Andrew's Anglican Church which was not erected until 1931, stands on property formerly owned by Mark Sisson. The total cost of \$1700 was paid off within the year by a small rural congregation already in the throes of a depression which was crippling the whole nation's economy. Quite an accomplishment at any time and doubly so then. Those

who had pleasant memories of the full throated bell which hung for years in the school belfry were happy when it was installed at St. Andrew's across the river in 1948.

There were two general stores in Guilford after Mark Sisson's closed. The one beside the river was kept by Mr. and Mrs. William Boice, the other on the road from Haliburton by Mr. Nelson Stevens who also bought and sold cattle.

Although the biggest business to operate on Pine Lake was the Gull River mill situated at its head, there is neither one scrap of machinery or one foundation timber laid on another to show that it ever existed. Sometimes however, one may find along the shore a piece of silvered driftwood or a rusted length of boom chain bearing the Gull River brand. All else is dust and wraith.

OBITUARY

Margaret May Hillier
Miss Margaret May Hillier passed away at Kingston on Friday, February 23, 1962 in her 83rd year. She was the daughter of the late Henry and Margaret Hillier who lived for many years on the Kinmount road.

After the passing of her parents she lived with her brother Stuart who predeceased her. Later she sold the farm where she was born and moved to the farm of her brother-in-law, the late Andrew Harrison. Some five years ago she was stricken ill and unable to continue to care for herself and was confined to hospital where she passed away. She was a member of the Minden United Church.

Miss Hillier was predeceased by her sister Sarah (Mrs. Andrew Harrison) and is survived by two nephews, Stuart and John Harrison, both of Minden.

The funeral was held from the chapel of John Welch & Son, Minden on February 26 at 3 p.m. The service was conducted by the Rev. D. Staples of the Minden United Church.

MAPLE LAKE

Miss Sandra Morrison of Oshawa was home the week of February 17.

Miss Lottie Hawkins has spent two week ends with Annie and Herb Fountain.

Miss Kathleen Owen's stayed over the week end with Grace and Charlie Morrison.

The United church W.A. was held at the home of Mrs. Clarence Horsley.

The St. Peter's W.A. was held at the home of Mrs. Vera Harrison with 10 members present. The next meeting is at Mrs. Tom Welch's, March 14 at 2 p.m.

Mrs. Dorothy Griffin of West Guilford invited the guild to her home for the March meeting.

DONALD

Mr. Wm. Emmerson, Mrs. Cecil Robinson and Miss Kathryn Robinson were recent visitors to Toronto.

Mr. and Mrs. Ralph Pasquino, sons Ronald and Donald were recent visitors at the home of Mr. and Mrs. Henry Howe in Maple Lake.

Mr. and Mrs. Wm. Emmerson were week end visitors to Ottawa and while there visited with Mr. and Mrs. Murray Woodcock and family.

Mrs. Earle Schellenberg and Mrs. Roy Bates were visitors on Wednesday at the home of Mrs. T. Woods.

Mrs. Merle Pringle and Miss Roberta Pringle were visitors to Minden on Friday.

Mrs. Cecil Harrison is visiting with relatives in Toronto.

Mr. and Mrs. Harley Fader and family were Sunday evening visitors with Mr. and Mrs. Charlie Morrison, Mrs. Ethel Fader and Mr. and Mrs. Geo. Fader.

THE NEW compact amber beer bottle—to make its appearance here early in March—is the most recent step in the 40-year history of the beer bottle. Pictures above are several steps in the development of the beer bottle, beginning at left: 1725, 1815, 1855, 1875, 1910, 1935 and 1962.

LOCHLIN

Mr. and Mrs. Raymond Congdon and Mrs. Joe Shaw spent one day last week with friends in Lindsay.

Friends of Mr. and Mrs. Gerald Hicks will be pleased to learn that their infant son Roger was able to return home from Lindsay hospital one day this week.

Mr. Alex McLeod was a week end visitor at the home of Mr. and Mrs. Carl Dugan.

Mr. and Mrs. Robert Walker of Kinmount called on relatives here on Wednesday.

Mr. and Mrs. Will Dugan were business visitors to Lindsay last Thursday.

Mr. and Mrs. Larry Trerice of Scarboro spent the week end with her parents Mr. and Mrs. Harvey Miner.

Mrs. Walter Harrison who has spent the past three weeks in the Haliburton hospital, was able to return home on Sunday.

Miss Conni Dugan spent the past week in Lindsay to be with her grandfather, Mr. Trumbull who is in failing health.

Mr. Sandell and Mr. Stannard are student teachers at Lochlin school this week.

Mrs. Charlie Shaw was able to return home on Sunday after spending some time in Minden hospital.

Mr. Lester Hicks left this week for Timmins where he is employed with the hydro.

Mr. John Smoke and Bill Eades were week end visitors to Lindsay.

Mr. and Mrs. Bud Dart and family have taken up residence at Forest, Ont., while Bud is stationed at Ipperwash.

Mr. Herbert Hagar of the forestry school near Dorset spent the week end at his home.

MAPLE LAKE

Mr. E. Barry has had the flu for a couple of weeks.

Mr. and Mrs. Cliff Whitaker of Haliburton had Sunday tea with Jack and Carrie Morrison.

Mr. and Mrs. Harold Fader of Donald called on relatives on Sunday in Maple Lake.

WEST GUILFORD

Congratulations to Mr. and Mrs. Ray Upton (nee Dorothy Grey) who were married Saturday at Sault Ste. Marie.

Mr. and Mrs. William Dickkey from Kennis Lake, were week end visitors to their home town, Stayner.

The big day in minor hockey, the Glen Dart trophy, is over and what an exciting night it was. The West Guilford pee wees won the trophy for 12 and under. The game was hard fought, the competition keen, and after the second period the score was 1-1 tie. After 15 minutes of overtime when it could have gone for either side, Jimmy Cowen scored the sudden death goal which claimed them the victory. It is hard to cheer for one specific team, as each in turn was doing his best, and it is nice to see it balanced up.

Those on our sick list are Mr. and Mrs. George Jones, Mrs. Ross Sawyer, Gwen Cameron and several others with influenza.

Mrs. Stella Deacon is a patient in Ross Memorial Hospital, Lindsay.

While visiting Oshawa recently Mr. and Mrs. James Cooper were involved in a car accident. Although the damage was extensive, no one was seriously hurt.

Rev. Stuart Wilson has returned home after several weeks in New Jersey where he was conducting services.

MINDEN

Patients at the local hospital early this week were Mrs. Packard and Mrs. Donovan who fell and suffered several broken bones. Congratulations to Mrs. Allen Arbuthnot on the arrival of her baby girl.

Mr. Doug Pritchard was injured at the shinny game last Saturday night at the arena, and suffered the loss of one eye.

We see Mr. and Mrs. Rod Ward home from their holiday in California and Mexico.

Mr. Freeman Trumbull is also in the Ross Memorial.

Monmouth Centre News

Saturday night saw the old timers from Oro Station playing a bang up game with the former players of the 98's. The Oro Station boys polished off the 98's and were applauded by the enthusiastic audience.

There were two games played by the town league when Harcourt won from Gooderham on Tuesday night and Monmouth all stars took the game from Kinmount on Thursday.

Town league play off games commence Tuesday, February 27 with Gooderham and Kinmount leading off.

Fans attending the Glen Dart memorial games reported them to be the best ever presented. All teams attending put on a worth while exhibition that kept the games interesting until the end. We would like to congratulate the trophy winners and are proud that the Gooderham bantams made a good showing for Monmouth minor hockey.

This Friday the teams will have a chance to compete again for the Monmouth community centre trophies. There will be four games comprised of squirts, pee wees, bantams and midgets.

Monday night, March 5 will see the figure skaters in their review of the past skating months. No admission will be required and those interested will be able to see what is going on in the club. Some awards will be presented for good work. The time for the event is 7 p.m.

Wednesday night saw a good crowd present at the bingo games, all eager for the jackpot of \$270. On the last number to be called there was a winner who turned out to be Mrs. Flora Marshall, a former resident for many years, who is at present visiting with her brother and sister, George and Bertha Webber.
